Get FREE Schooled!

TO SCHEDULE A CLASS IN NOVEMBER

email portlandfreeskool@riseup.net

with the following information:
*class name
*description of the class
*date(s)
*time(s)
*location
*contact information

information must be recieved before OCTOBE 20th.

if you have a skill or interest please don't hesitate to share it with the people. we are also happy to list free lectures, teach-ins, film showings, and any other free learning events that may be sponsored by other groups you are involved in.

IF YOU WANT TO ATTEND A CLASS

communication is important to keep the freeskool functioning smoothly. if you're interested in a class please contact the teacher before the class! the person offering the class needs to know there are interested students and will also be able to inform you of changes in dates and/or locations of the class.

GET INVOLVED

the freeskool definitely needs support. we are run on all-voulenteer people-power. email us if you would like to contribute in any way, such as distributing calendars, teaching, co-ordinating, publicity, helping to plan benefits and fundraisers finding spaces, making copies, etc. if you want to help us out, please email us-- WE NEED HELP! this is your forum.

Also if you have computer skills, let us know so we can get the calendar online!!

WHAT IS FREESKOOL??

we are an alternative educational program in the city of portland. we call ourselves the portland freeskool. the ever-evolving freeskool creates an avenue for true education by providing a space for people to get together to share knowledge and skills in a non-authoritarian, empowering and free way. we believe everyone has the ability to teach a course and that all people have a world of knowledge within them; we believe that Education should not be based on monetary or class position, and we believe that education is continuous throughout one's life, it is not based on fulfilling degree or state requirements. freeskool is about encouraging positive social change by creating networks based on mutual aid and understanding. freeskool is open to everyone who wants to organize or attend a class. so far, we have been organizing classes and parties since last november and will continue to grow with peoples' support and involvement.

→ CLIMB TRAINING AND SAFETY

Climbing trees is lots of fun. These trainings will be mainly about gear ID and safety, climbing a vertical rope and basic climbing knots. Further instruction in other climbing techniques will be available to students who have absorbed all the safety knowledge of the basic lesson. We have all the equipment needed. Bring a notepad if you want to take notes.

Trainings by appointment for as few as one student, the more the merrier.
Call Lichen at Caseadia Forest Alliance
503 241-4879
